LAPTOP FORM -- Grades 6, 7, 8

Dear MAMS Parent/Guardian:

Your student will be issued a Chromebook to use for the 2021-2022 school year. This laptop will enhance your student’s learning, as technology is integrated into classroom instruction. The laptop is provided to help students learn “hard to teach” concepts and practice skills needed for academic success. It provides the most current research and information and helps your child learn 21st century skills.

All MAMS students (6, 7, 8) will take their laptops home this year. Students will be given clear instructions on the proper use and care of their Chromebooks and will be expected to follow the MAMS Acceptable Use Policy for laptops. Students will be billed per incident for damages that they are responsible for:

- 1st incident \$10
- 2nd incident \$25
- 3rd incident \$50

Please sign and return this form for your student to receive a laptop and to acknowledge you have been informed about this policy. If you prefer to submit this form electronically, go to <https://tinyurl.com/MAMSLaptop>

Student Name(s): _____

Parent/Guardian Signature: _____

Date: _____
