Worcester County Public Schools Transportation Department is piloting a Bus Assignment program with Berlin Intermediate School for the 2021-2022 school year. It is our hope that this will allow our department to be prepared for your transportation requests, and to enable better communication with you concerning bus stop locations and times.

Parents are asked to complete a brief questionnaire which includes student and parent information and bus stop location. When completing the address portion, please remember to include the entire 911 street address. The questionnaire can be accessed using the QR Code or <https://tinyurl.com/BISBus2122>.

The deadline to complete this questionnaire is August 16, 2021. Once we have received your request, we will communicate with the drivers their list of students. Drivers will be in touch with the families on their list to provide bus stop location and times prior to the start of school.

Thank you for your assistance.
