

Good evening BIS parents and students! I hope this message finds our families doing well and enjoying the summer. We are diligently planning the upcoming school year and are very excited to share some important information.

First, we would like you to save the date for our back to school night on August 31st from 5:30 – 7pm As you prepare for the start of school please know that the school supply list for each grade level can be found on our website, [berlinintermediate.org](http://berlinintermediate.org), under the parent resources tab.

Next week, we will be sending out our summer mailing with your child's homeroom teacher. Please be on the lookout for that letter to verify that we have the correct address.

Our BIS school day for students begins at 7:40 and ends at 2:45. Parents may not drop off students prior to 7:15 due to supervision.

Finally, we are piloting a new bus transportation initiative. Parents will have the opportunity to sign up for bus transportation electronically this year using a digital link. If you plan to drop off and pick up your child from school each day, you do not need to complete this form. This is only for bus transportation. The link will be send via text message following this call. It can also be found on our website's homepage. If your child is in need of bus transportation before or after school you need to use this code. This should be completed as soon as possible. Anyone in need of specialized transportation, meaning different stops on different days should still contact the school directly.

We will continue to send texts with important information over the following weeks as the school year gets closer. Also, we would encourage you to check out our website as most important information can be found there. We look forward to seeing you soon and I hope you enjoy the rest of your summer!
