

# Thinking of Traveling? Know Before you Go!

Families, as we head into the holiday season, I wanted to send a friendly reminder that the Governor has recently issued an updated travel order, limiting all travel to essential purposes only. Should your child need to travel to a state other than Delaware, Pennsylvania, Virginia, West Virginia, and Washington, D.C., her or she must either obtain a negative laboratory confirmed COVID-19 test result or self-quarantine for 10 days. Families should contact the student's school to participate in distance learning during that time of self-quarantine. Please visit <https://covid.cdc.gov/covid-data-tracker/> (COVID-19 Tests Performed by State - Commercial and Reference, Public Health, and Hospital) to view the latest state data as you make decisions regarding your travel plans.
