Greetings to all of our Gator Family!

Welcome to the 2021-2022 academic school year! We hope you had an enjoyable summer. We are thrilled to have our students returning to in-person learning five days a week. Our school's mission is to provide rigorous instruction and character development within a safe, school environment; we are so excited to welcome our Gators!

Please be sure to communicate any medical needs with the school nurse and bring the appropriate documentation (physician's notes) to GLH Johnson.

All students, including kindergarten, will report to school on Monday, August 9, no later than 8:00 a.m.
