HELPING MY CHILD AT HOME
Vest Buncombe’s parents offer ideas to support student success.
These are really strategies that our parents have shared!

Keeping in the loop...
♦ I make sure to always check my child’s daily homework folder.
♦ I return important forms as soon as possible.

Communicating with teachers...
♦ I provide the school with current family and emergency contact phone numbers.
♦ I maintain open and positive communication with my child’s teachers.
♦ I make it a priority to attend scheduled parent/teacher conferences.
♦ I review my child’s progress report and follow up with the teacher.

Helping my child at home...
♦ I recognize that I am my child’s first teacher.
♦ I establish a homework routine with my child (scheduled time and place), and make sure the homework is complete, neat, and thoughtfully done.
♦ My child READS every night.
♦ I READ TO our child on a regular basis.
♦ I make sure he has resources at home that encourage learning.
♦ We TALK together about what my child reads.

Never stop learning myself...
♦ I attend educational workshops at school to learn about additional ways that I can support my child’s learning.

Setting standards for my child...
♦ I encourage my child to be independent.
♦ I let my child know that it’s important to DO her best and BE her best.
♦ I praise my child for jobs well done.

Things as a parent I know, but are good to keep in mind...
♦ Display wonderful work on the refrigerator.
♦ Encourage questions and curiosity.
♦ Be a good listener.
♦ I am interactive in our child’s learning by talking about his school experiences.
♦ I share about things that I learn day to day.
♦ I seek educational opportunities for my child.
♦ It’s important to participate as a family in activities where we are learning new things together.
